

Memorial Quilt to be displayed at the Townsville Walk To Remember – 9 October 2011

SANDS Townsville Region invites you to beautify by painting, sewing, quilting etc your story of your precious baby/babies on a square of material. The story may include whatever you like, your family, your pregnancy, the death or the grief journey you have travelled. This is your personal story so we will leave it up to you.

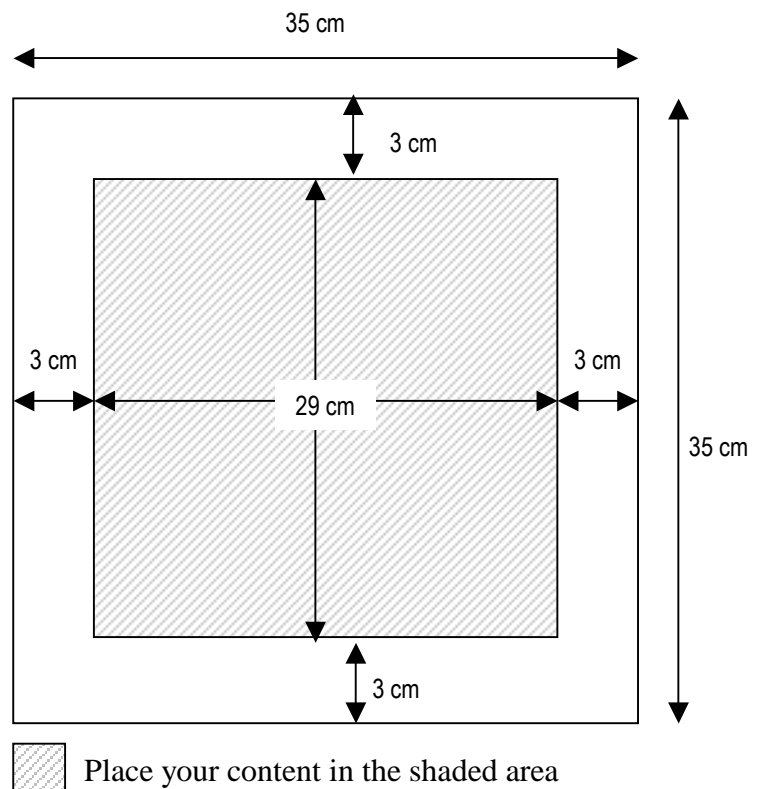

Your special patch will then become a piece of a Memorial Quilt. It is our intention to have the Memorial Quilt displayed at this year's Walk To Remember to be held at the Strand Townsville on the 9th October commencing at 7am with Registration and BBQ Breakfast. The Memorial Service and Live Butterfly Release will start at 8am, followed by the walk and light refreshments

You may use any colour of fabric 35 cm square with the contents of your work using 29 cm square. This will leave 3cm on all sides for quilter to sew all the special patches together. A diagram outlining the design is below.

We would appreciate if you could have your patch/patches ready by 1 October 2011. They may be delivered along with your name, address, email and phone number to 143 Ross River Road, Mundingburra during business hours or post to Walk To Remember, PO Box 1879, Aitkenvale QLD 4814.

If you are unable to do your own patch, The Quilter's Blessing is happy to do one for you at a reasonable fee, their business card is scanned below.

Thank you.

In Memory of Your Baby

Each year we have a new Memory Book. Parents, families and friends contribute to this Memory Book by decorating their own piece of cardboard and handing it in on the morning of the Walk To Remember. All previous Memory Books are displayed as well.

Things you may like to do using a A4 piece of Acid Free Cardboard:

- Stories
- Poems
- Drawing
- Scrap-booking

Please:

- Write on the paper landscape (sideways)
eg like this drawing: 
- Write on one side of the paper only
- Decorate as you wish

These memories will be collected at the Walk to Remember.

Please do not hesitate to contact SANDS on 4775 5957 if you have any queries.

Thank you.
